High School Program

2018-2019

New for 2018-2019, Waller Christian Academy offers a completely online high school program through the Alpha Omega Academy. Accredited by AdvancED, AOA has a wide variety of general, elective, and CTE courses. Students can be enrolled full time or part time, flexible for extracurricular activities, employment or medical needs. Students interact with teachers via messaging, phone and online classes. WCA has an advisor on staff to make sure students are progressing through the program and achieving to their full potential. AOA uses the Ignitia online curriculum allowing every student to learn at the ideal pace and take ownership of his/her success.

Please visit with us for more information or look at <https://www.aoademy.com/christian-schools/> to learn more about the program we are using.

Tuition and Fees will be assessed individually based on the number of classes taken and if the student is full or part time on campus. Classes start at \$250 -\$400 per class.
